## WHAT IS CLAIMED IS:

- A method of inhibiting production of ammonia from urine held adjacent a user's skin by an article, said method comprising applying a composition to an area of the wearer's skin, said composition including a Yucca sp. extract.
- 2. A method as set forth in claim 1 wherein at least about 0.001 gram per square centimeter of Yucca sp. extract is applied to the area of the user's skin.
- 3. A method as set forth in claim 1 wherein the composition includes Yucca schidigera.
- 4. A method as set forth in claim 3 wherein at least about 0.001 gram per square centimeter of *Yucca schidigera* is applied to the area of the user's skin.
- 5. A method as set forth in claim 1 wherein the composition is applied with a wipe.
  - 6. A wipe for wiping surfaces comprising:
  - a flexible sheet; and
- a composition held by the sheet including a  $\mathit{Yucca}\ \mathtt{sp}$ .
- 7. A wipe as set forth in claim 6 wherein the sheet includes opposite outer faces and the composition is held within the sheet between the outer faces.
- 8. A wipe as set forth in claim 6 wherein the sheet includes opposite outer faces and the composition is applied to at least one of said outer faces.

- 9. A wipe as set forth in claim 6 wherein the composition comprises at least about 0.001 percent Yucca sp. extract by weight.
- 10. A wipe as set forth in claim 9 wherein the composition comprises at least about 0.01 percent Yucca sp. extract by weight.
- 11. A wipe as set forth in claim 6 wherein the composition comprises less than about 1.0 percent Yucca sp. extract by weight.
- 12. A wipe as set forth in claim 6 wherein the Yucca sp. extract includes Yucca schidigera.
- 13. A wipe as set forth in claim 12 wherein the composition comprises at least about 0.001 percent Yucca sp. extract by weight.
- 14. A wipe as set forth in claim 13 wherein the composition comprises at least about 0.01 percent Yucca sp. extract by weight.
- 15. A wipe as set forth in claim 12 wherein the composition comprises less than about 1.0 percent Yucca sp. extract by weight.
